Work experience

10/2016 – present Fyber GmbH | Berlin, GERMANY
Junior Solutions Engineer
Jira, Confluence, Android, iOS, SQL

- Guided and supported app and game developers in their integration with Fyber products.
- Received and resolved escalations from the app and game developers as well as account managers relating to Fyber native SDKs, API integration, reporting discrepancies, etc.
- Used a variety of tools such as log analysis, SQL queries, Fyber in-house tools and worked closely with different teams (i.e. engineering, product and business intelligence) to get to the bottom of an issue.
